CIVIL NO. 1:22-cv-00616-JB-SCY

METROPOLITAN DIRECT PROPERTY AND  
CASUALTY INSURANCE COMPANY,

Defendant.

**ORDER PRELIMINARILY APPROVING SETTLEMENT, APPROVING NOTICE TO  
SETTLEMENT CLASS MEMBERS, AND SETTING DATE FOR FINAL FAIRNESS  
AND APPROVAL HEARING**

The parties to the Settlement Agreement entered into by and through their respective counsel on January 30, 2026 (the "Agreement") in the above-captioned action (the "Action") have moved for an order granting preliminary approval of the class settlement of the Action upon the terms and conditions in the Agreement. The Court having read and considered the Agreement and the accompanying documents submitted by Plaintiff (each as defined in the Agreement and as set out below), finds and ORDERS as follows:

IT IS HEREBY ORDERED THAT:

*(in part)*

1. The Agreement is hereby incorporated *(in part)* by reference in this Order and, in addition to the terms defined in this Order, all terms defined in the Agreement will have the same meanings in this Order.

2. The Parties include Plaintiff Margaret Vega, individually and as representative of the Settlement Class, and Defendant Metropolitan Direct Property and Casualty Insurance Company ("MetDirect"), now known as Farmers Direct Property and Casualty Insurance Company; Economy Premier Assurance Company; and Farmers Property & Casualty Insurance Company (collectively, "Farmers Direct").

*ME*  
1/20/26

3. For purposes of determining whether the terms of the Agreement should be preliminarily approved, the following Settlement Class is conditionally certified, for purposes of this Agreement only:

- All persons who paid a premium to Farmers Direct for UM/UIM coverage under a New Mexico automobile insurance policy issued by Farmers Direct that was in effect at any time between October 1, 2010 and January 31, 2022; and
- All persons who (1) were involved in a Motor Vehicle accident with an underinsured motorist, (2) submitted a UIM claim that was or would have been subject to a Farmers Direct auto insurance policy issued to a Class Member that was in effect between October 1, 2010 and January 31, 2022, and (3) had their claim reduced or denied due to Farmers Direct's application of the *Schmick* offset.

The Settlement Class excludes (1) all individuals who have separately filed suit against Farmers Direct up to the Notice Date, where the subject of such suit includes an allegation of the reduction or denial of benefits on the basis of a *Schmick* offset; (2) all individuals who have settled a claim for benefits reduced or denied at least in part on the basis of a *Schmick* offset; (3) all individuals whose claim was adjusted or readjusted without applying a *Schmick* offset, or who signed a final release prior to the Notice Date; (4) the Judge(s) presiding over this Action; and (5) any employees of the Released Parties.

4. The Court expressly reserves the right to determine, should the occasion arise, whether the Action may be certified as a class action for purposes other than settlement, and Farmers Direct retains all rights to assert that the Action may not be certified as a class action

except for purposes of settlement only. This Preliminary Order is not intended to be a final order on certification of the class for settlement purposes.

5. The Court finds that (i) the Agreement resulted from extensive arm's-length negotiations; (ii) the Agreement was concluded after counsel for all Parties had conducted adequate investigation; and (iii) the Agreement terms are sufficiently fair, reasonable, adequate and in the best interests of the Settlement Class to warrant sending notice and claim forms to the Settlement Class preliminarily certified for settlement purposes in accordance with Section VI, Notice Program, of the Agreement and thereafter holding a hearing regarding, inter alia, (a) final approval of the Agreement and certification of a Settlement Class for settlement purposes only, (b) whether the Notice Program complies with the Federal Rules and due process; and (c) whether Class Counsel's request for attorneys' fees should be approved (the "Final Approval Hearing"). Accordingly, the Court grants preliminary approval of the Agreement and finds that it is sufficiently fair and reasonable to warrant sending notice to persons who may be members of the Settlement Class preliminarily certified for settlement purposes in accordance with the Class Notice procedures set forth in the Agreement.

6. Solely for the purposes of the Agreement, the Court preliminarily finds that the prerequisites for a class action under Fed. R. Civ. P. 23(a) and (b)(3) have been satisfied in that: (i) the Settlement Class Members are so numerous that joinder of all Settlement Class Members is impracticable; (ii) there are questions of law and fact common to the Settlement Class; (iii) the claims of the Plaintiff are typical of the claims of the Settlement Class Members; (iv) the Plaintiff will fairly and adequately represent the interests of the Settlement Class; (v) the questions of law and fact common to the Settlement Class Members predominate over any questions affecting only individual Settlement Class Members; (vi) and certifying the Settlement Class is superior to other

available methods for the fair and efficient adjudication of the controversy.

7. Plaintiff is preliminarily found qualified to act as representative of the Settlement Class and preliminarily appointed as Settlement Class Representative; and the following Plaintiff's Counsel are preliminarily appointed as Counsel for the Settlement Class ("Class Counsel"), based on the Court's determination that the requirements of Fed. R. Civ. P. 23(g) are satisfied by this appointment.

8. If final approval of the Agreement is not obtained or the events set forth in the Agreement are not satisfied, this preliminary certification order, including the above description of the Settlement Class, shall be vacated *ab initio*. Preliminary certification of the Settlement Class, appointment of Class Counsel and of the Class Representative, and all actions associated therewith, are binding only with respect to the Agreement and are undertaken on the condition that the certification and designations may be vacated, at the discretion of Farmers Direct, if the Agreement is terminated or is disapproved in whole or in material part by the Court, any appellate court and/or any other court of review, or if the Agreement is terminated pursuant to Section XIV in the Agreement, in which event: (i) the Agreement and any obligations of Farmers Direct thereunder

shall be null and void, except as otherwise expressly provided in the Agreement; (ii) the Court shall vacate the preliminary certification of the Settlement Class; (iii) Farmers Direct and the other Released Parties shall retain the right to object to the maintenance of the Action and/or any other case on any grounds; and (iv) the Action shall proceed as if the Agreement had never been entered and the Settlement Class had never been certified, without prejudice or relevance to the Court's consideration on the merits of any arguments for or against a properly submitted motion for class certification.

9. ~~The~~ Agreement and its preliminary approval is not to be deemed an admission of liability or fault by Farmers Direct or by any of the Released Parties, or a finding of the validity of any claims asserted in the Action, or of any wrongdoing or of any violation of law by Farmers Direct or any of the Released Parties, or an admission by Farmers Direct or the other Released Parties as to the certifiability of a litigation class in the Action, or any other case. Neither the preliminary certification of this Settlement Class, nor the Agreement, nor the fact that it was entered into, nor any of its terms, provisions or exhibits, nor any of the negotiations or proceedings connected with it, nor any filings or arguments made to the Court in support of preliminary approval of the Agreement, may be offered, received or construed, in any pending or future civil, criminal or administrative action, as: (i) an admission of or evidence of liability or fault by Farmers Direct or any of the Released Parties or a finding of the validity of any claims asserted in the Action or of any wrongdoing or of any violation of New Mexico law by any of the Released Parties or; (ii) an admission of or evidence of the appropriateness of certification of a litigation class; or (iii) as evidence for any purpose in this or any other proceeding, including as to the certification of any class, except that such materials may be offered or received in proceedings to enforce the Agreement or if Farmers Direct, at their sole discretion, stipulate to the admission of such evidence.

Notwithstanding the foregoing, Farmers Direct and the Released Parties may file the Agreement, or any judgment or order of the Court related to it, in any other action that may be brought against them, to support any defenses based on *res judicata*, collateral estoppel, release, or any other theory of claim preclusion or issue preclusion.

10. Epiq Class Action & Claims Solutions, Inc. is preliminarily appointed as third-party settlement administrator (“Settlement Administrator”). The Court will determine whether the Settlement Administrator should be appointed at the Final Approval Hearing.

11. The Settlement Administrator shall cause the Notice and Claim Form submitted to the Court as Exhibits A, B, and C to the Agreement to be distributed in accordance with the procedures set forth in Section VI, Notice Program of the Agreement. As set forth in the Agreement, the costs associated with providing Notice will be paid out of the Settlement Fund established in the Agreement.

12. The Court has reviewed the Class Notice and Claim Form, which it preliminarily approves in form and substance. The Court preliminarily finds that the form and method of notice set forth in Section VI, Notice Program of the Agreement (the “Notice Program”): (i) are reasonable and the best practicable notice under the circumstances; (ii) are reasonably calculated to apprise Settlement Class Members of the pendency of the Action, of their rights to object to or opt-out of the Settlement, and of the Final Approval Hearing; (iii) constitute due, adequate, and sufficient notice to all persons entitled to receive notice; and (iv) meet the requirements of the Federal Rules of Civil Procedure, the requirements of due process under the New Mexico and United States Constitutions, and the requirements of any other applicable rules or laws. In addition, the Court finds that the claim submission procedures for those Settlement Class Members eligible for an Offset Subclass Payment and associated Claim Form are fair, reasonable and adequate.

Those procedures allow sufficient time and are simple and straightforward so that any Settlement Class Member who chooses to submit a Claim Form has ample opportunity to do so. The Claim Form and claim submission procedures assist the Settlement Class Members in making informed decisions as whether to submit a Claim Form. This preliminary finding, which is made for purposes of approving the Notice Program only, does not prejudice the rights of any Settlement Class Member to object to the Notice Program at the Final Approval Hearing.

13. The Final Approval Hearing shall be held before the undersigned, in Courtroom 460 this Courthouse, at 1:30 pm on July 1, 2026, or such alternate date as the Court may set as close to \_\_\_\_\_ days after the date that the Class Notice is required to be sent, *i.e.*, \_\_\_\_\_ days from the date of entry of this Order, as is convenient with the Court's schedule. At that hearing, the Court shall consider and/or determine, among other things: (i) whether the Agreement should be finally approved as fair, reasonable, and adequate; (ii) whether to finally certify a Settlement Class for settlement purposes only; (iii) whether the Notice Program complies with the Federal Rules and due process; (iv) the amount of attorneys' fees and costs to be awarded to Class Counsel ~~and the amount of any service awards to be paid to Class Representative~~ 02/11/26; (v) whether Settlement Class Members should be bound by the Releases set forth in the Agreement; (vi) whether the Final Judgment approving the Agreement and dismissing all claims asserted in this Lawsuit on the merits, with prejudice and without leave to amend, should be entered; and (vii) other actions, if any, to be enjoined or dismissed. The Final Approval Hearing may be postponed, adjourned or rescheduled by order of the Court without further notice to the Members of the Settlement Class, other than that which may be posted at the Court and on the Court's website. The Court reserves the right to approve the Agreement at or after the Final Approval Hearing with such modifications as may be consented to by the Parties and without further notice to the

Class Members.

14. Any potential Settlement Class Member who wishes to exclude himself, herself, or itself from the Settlement Class must submit to the Settlement Administrator a written request for exclusion postmarked not later than 30 days after the Notice is sent. As provided in Section X of the Agreement, requests for exclusion must be signed and include the Settlement Class Member's name and address, and expressly state the desire to be excluded.

15. The Settlement Administrator shall promptly log each request for exclusion that it receives and provide copies of the log and all such requests for exclusion to Farmers Direct's Counsel and Class Counsel within 14 days of the deadline for such requests. Any Settlement Class Member who does not timely and validly request to be excluded from the Settlement Class before the deadline waives the right to do so in the future.

16. Any Settlement Class Member who does not submit a timely, written request for exclusion will be bound by all proceedings, orders and judgments in the Action, including the terms of the Agreement, if approved. All members of the Settlement Class who do not timely request exclusion in the manner set forth in the Class Notice and the Agreement shall be bound by any Final Judgment entered pursuant to the Agreement, and shall be barred and enjoined, now and in the future, from asserting any of the Released Claims, as defined in the Agreement, against any Released Parties, as defined in the Agreement. Upon entry of a Final Judgment approving the Agreement, all members of the Settlement Class shall be conclusively deemed to have fully and finally released all the Released Parties from any and all Released Claims.

17. Settlement Class Members who do not file a timely request for exclusion, may file an objection to contest the Agreement, in accordance with Section XI, Objection Procedures of the Agreement. Any such notice of intent to object and/or intervene must be: (a) filed with the

Clerk of the Court not later than (forty-five (45)) days after the Notice Date), and (b) sent by first-class mail and postmarked by that date to:

18. As further provided in Section XI of the Agreement, to be valid, an objection must state: (a) the objector's full name, address, telephone number, and e-mail address (if any); (b) information identifying the objector as a Settlement Class Member; (c) a written statement of all grounds for the objection, accompanied by any legal support the objector cares to submit; (d) the identity of all lawyers (if any) representing the objector; (e) the identity of all of the objector's lawyers (if any) who will appear at the Final Approval Hearing; (f) a list of all persons who will be called to testify at the Final Approval Hearing in support of the objection; (g) a statement confirming whether the objector intends to personally appear and/or testify at the Final Approval Hearing; and (h) the objector's signature or the signature of the objector's duly authorized lawyer or other duly authorized representative (along with documentation setting forth such representation).

19. In addition to the foregoing, objections should also provide the following information: (a) a list, by case name, court, and docket number, of all other cases in which the

objector (directly or through a lawyer) has filed an objection to any proposed class action settlement within the last three (3) years; (b) a list, by case name, court, and docket number, of all other cases in which the objector's lawyer (on behalf of any person or entity) has filed an objection to any proposed class action settlement within the last three (3) years; and (c) a list, by case number, court, and docket number, of all other cases in which the objector has been a named plaintiff in any class action or served as a lead plaintiff or class representative.

20. Any Settlement Class Member who fails to object or seek to intervene in accordance with this Order will be deemed to have waived the right to object or intervene and shall be barred from raising their objections to the Agreement or Final Judgment in this or any other proceeding, including in an appeal.

21. Plaintiff's Motion for Final Approval of Class Action Settlement, for attorneys' fees, costs and expenses, ~~and on behalf of the Class Representative(s) for a service award~~ as set forth in the Agreement shall be filed on or before \_\_\_\_\_ [10 days before the date set by this Order for the Final Approval Hearing].

MRB  
2/1/26

22. Class Counsel and/or Farmers Direct's Counsel may file and serve a written response to any objection not later than five days before the Final Approval Hearing. Objections to the Agreement shall be heard, and any papers or briefs submitted in support of said objections shall be considered by the Court (unless the Court in its discretion shall otherwise direct), only if they comply with the objection procedures set forth herein.

23. Pursuant to the stipulation of Class Counsel, the Court preliminarily orders that they, and their firms, shall not represent, encourage, solicit or substantively assist, in any way whatsoever, any person in requesting exclusion from the Settlement Class. Similarly, Class Counsel, as well as all other counsel of record for the Plaintiff, and their respective firms, shall not

represent, encourage, solicit or substantively assist, in any way whatsoever, any person who requests exclusion from the Settlement Class, in any subsequent litigation that person may enter into with any Released Parties regarding the Released Claims or any related claims, pending final determination of whether the Agreement should be approved. This prohibition will not apply if the Agreement does not become final and effective.

24. The Court further preliminarily finds that neither Farmers Direct, the Released Parties, Farmers Direct's Counsel, nor Class Counsel, shall be responsible in any way for any attorneys' lien(s) or medical lien(s) submitted for any of the Settlement Class Members, nor shall any such liens be created by any of the efforts of the Parties to effectuate any of the terms of the Agreement.

25. Upon entry of this Order, all proceedings in the Action shall be stayed until further order of the Court, except such proceedings as may be necessary either to implement the Agreement or to comply with or effectuate the terms of this Agreement or Federal Rule of Civil Procedure 23.

26. Pending final determination of whether the Agreement should be approved, Plaintiff and all Settlement Class Members are preliminarily enjoined from bringing any new action, including without limitation, a new alleged class action, or attempting to amend an existing action, against Farmers Direct or any of the other Released Parties, to assert any claims that would be released pursuant to the Agreement. This includes, but is not limited to, (a) any and all claims that arise out of the alleged facts, circumstances, and occurrences underlying the allegations as set forth in the Complaint filed in the Action; (b) any and all claims disputing the value of UM/UIM coverage or premiums based on the *Schmick* offset or New Mexico being a "gap theory" state with respect to the payment of UIM benefits; (c) any and all claims related to or arising out of UIM

benefits being reduced or denied due to a *Schmick* offset; (d) any and all claims for penalties arising from or relating to late payment, non-payment, or underpayment of benefits for UM/UIM claims; and (e) any and all claims arising from or relating to the claim readjustment process provided for in this Agreement, including, but not limited to, any claims that Farmers Direct readjusted, determined, or paid a Valid Claim for Claim Readjustment Payment improperly, in bad faith, or in violation of any statute, regulation, or other applicable law. Plaintiff and all Settlement Class Members are further enjoined from proceeding with any pending action which asserts against any of the Released Parties any claims, including putative class claims, arising out of or related to the claims and allegations asserted in the Action or that would otherwise fall within the scope of the Released Claims, as defined in the Agreement.

27. If final approval of the Agreement is not obtained or the events set forth in the Agreement are not satisfied, this preliminary certification order, any final certification of a Settlement Class, and Final Judgment approving the Agreement shall be vacated *ab initio*.

28. Upon motion of any party, the Court may, for good cause, extend any of the deadlines set forth in this Order without further notice to the Settlement Class.

29. If any deadline in this order falls on a non-business day, then the deadline is extended until the next business day.
